- The parent borrower must complete a Direct PLUS Loan Application and Master Promissory Note (MPN)

### Shopping Sheet information:

The Financial Aid Shopping Sheet is a tool designed to make information regarding costs and financial aid more consistent across postsecondary institutions so that students and their families can make informed decisions about which institution to attend. The Financial Aid Shopping Sheet can be found online through Student Online Services by clicking on "Financial Aid" in the Main Menu, then "Federal Shopping Sheet."

Starting college is an exciting time, and the Office of Financial Aid and Scholarships is here to assist you with the process! If at any point you have any questions or need additional guidance, please do not hesitate to contact us. We look forward to seeing you on campus!
